Amateur Radio Lighthouse Society On-line Newsgroup

We have established an on-line ListBot newsgroup for lighthouse hams. The service is free and allows members to keep in touch with one another to exchange ideas and lighthouse data, as well as news of events and expedi-

tions. Posting a message or inquiry to the list, automatically sends it to everyone else on the list — a great way to get your questions answered. To join, just sign up on the web page at <http://www.waterw.com/~weidner/arl.htm>
